
Care Instructions

Well Woven rugs are made with top quality materials and methods, however, rugs, like anything, require care and maintenance to keep them in great shape.

- Regular Vacuuming.
- Soiled areas should be cleaned immediately with a mild detergent. With a dry towel, blot stain; mix dish soap with water and gently remove the remainder of the stain.
- Do not machine wash.
- Do not bleach.
- Vacuum regularly with non-beater bar vacuum
- Professional cleaning recommended

Use: Recommended for indoor use only
